

**ALICE KING COMMUNITY SCHOOL  
GOVERNING COUNCIL**

January 21, 2014

Dear Members of the AKCS Community,

I would like to update you on the strategic planning process. The Governing Council has been fortunate to have valuable participation and feedback from the parents, staff, and administration in our brainstorming sessions. We are now working to compile the data into an effective strategic plan that will guide the school over the next five years. The Governing Council has been working hard to complete the strategic plan, but we have found that we need more time than originally planned. We would also like to offer one more opportunity for community input on the process. Therefore, we have chosen to modify the strategic planning calendar slightly. Below is a chart with the updated strategic planning calendar.

<b>Event</b>	<b>Event Date or Deadline and Location</b>
Governing Council Working Session to Complete Draft of Strategic Plan	January 24, 2015, 8:00 a.m. at TBD
Draft Strategic Plan sent to Brainstorming Groups and Posted Publicly	January 28, 2015

Please note that there will be one more opportunity for all parents and caregivers to share your opinions and insights with the Governing Council on February 4, 2015. Please don't pass up this opportunity to share your thoughts on the future of this amazing school.

As always, we appreciate your attention to these important issues. Please feel free to contact us with your questions and concerns.

Sincerely,

Aaron R. Kugler  
Alice King Community School Governing Council President
