I. GENERAL INFORMATION

1.1. MISSION AND VISION

1.1.01 *Mission* - The mission of the Alice King Charter School (AKCS) is to provide an inclusive educational program for non-traditional learners. AKCS will provide a safe learning environment that incorporates each child's academic, developmental, and intelligence type into an individualized program. Through a strong partnership with parents and students, AKCS will tailor an academic plan around each child's strengths and include scaffolds for weaknesses. The classroom environment will emphasize cooperation, focus on the positive, and provide programs and schedules for optimal cognitive functioning. A myriad of learning approaches will be utilized including multiple intelligences, strategies, differentiated instruction, thematic projects, project based/ hands-on learning, and individual reflection. Each child's progress will be reviewed monthly to ensure the child is learning, meeting his/her goals, and is a positive contributor to the school community.

1.1.02 *Vision* – Our vision is to educate and nurture our children in an inclusive learning community where students will spend multiple years with the same teacher in multi-age classrooms. The curriculum will be rich, relevant, and self-paced. Our families will be essential partners who actively participate in their child's education by providing challenging learning opportunities. Parents, students, and teachers will collaborate so that home-based learning supports classroom study in a manner that moves beyond homework into relevant daily activities. Multi-age classrooms will allow each child to progress at an individualized pace while building a community of learners that is not age or grade dependent. Our small caring community will encourage children to be responsible and effective learners. We will utilize best practices that are based upon recent brain research to keep students' brains turned on and tuned in. When children complete their time with us they will be prepared to be successful changing world.

1.2. WELCOME AND STAFF INTRODUCTION.
1.2.01 *THE AKCS STAFF WELCOMES YOU!*

Dear Families,

Welcome to AKCS Elementary Charter School! AKCS Charter School is a “state of the art” school offering an extraordinary education. The staff and I are dedicated to providing your children with the best academic, social, and emotional experiences possible as AKCS is about educating the whole child. We also believe that all members of our families, neighbors and school staff must work together to make positive differences in the lives of children.

AKCS staff will introduce children to the joy of learning at an early age, and provide a framework in which intellectual, emotional, and social discipline go hand-in hand. We will use the latest in brain-based research and the Multiple Intelligences framework to maximize the learning potential of each student. Our multi-age classrooms will build a cooperative community of learners, while fostering independence and responsibility. As a public school, AKCS will offer all subjects required, and provide additional support through our optional instructional hour at the end of our school day, and before or after-school enrichment programs. At AKCS, we believe that communication provides the foundation for an effective partnership between school staff and our families. Our schedule provides time for students, parents, and staff to collaborate together to ensure that all stakeholders are satisfied. In addition, we will provide ongoing written communication to help you stay informed about procedures and school events. If you have any questions or concerns, please feel free to contact me or any other school employee. We want to hear from you!

We look forward to an exciting and successful school year! Thank you for choosing AKCS.

1.4 AKCS GOVERNING COUNCIL

The AKCS Governing Council makes policy decisions concerning the school and interviews and hires the principal for his/her position. The members of the governing council operate according to its bylaws. The council members are volunteers who oversee the operation of the school and ensure that AKCS's charter's goals and missions are carried out.. Regular meetings are held the second Tuesday of each month from 5:00pm (unless otherwise indicated) and often, other meetings are convened to discuss school business. Notices of the AKCS Governing Council meetings will be posted on the website at the school and/or advertised in the Albuquerque Journal.

Parents and other community members who are interested in serving on the AKCS Governing Council should contact a Governing Council Member. All parents are encouraged to attend AKCS Governing Council meetings as a way to keep informed about our school. Often committees are formed to carry out specific functions and parent and community participation is encouraged.

The Governing Council members are:

Carlos Romero, President

Aaron Kugler, Vice President

Marcos Martinez, Treasurer

Anne Murray, Secretary

Maria Giego-Raby

Jill Dekker

Lee Baldwin

Marnie Sadek

1.5 AKCS PTA

AKCS has a very active PTA and works hard to support the education our children are receiving in many ways. Contact information and planned events including meetings will be listed in a PTA calendar that will be given to each AKCS Family. Our PTA President this year is Wendy Licon.

1.6 STUDENTS ARE UNDER CONTROL OF SCHOOL

All students are under the control and direction of the school Principal, or designee and the immediate control and direction of the teacher or another member of the instructional staff or bus driver to whom such responsibility may be assigned by the Principal;

- while they are being transported to or from school at public expense .
- when they are attending school
- when they are engaged in a school-sponsored activity on the school premises or away from school premises
- during a reasonable time before and after a student is on the premises for attendance at school or for authorized participation in a school-sponsored activity

A “reasonable time” shall mean fifteen (15) minutes before the school day or school-sponsored activity is scheduled or actually begins or ends, whichever period is longer

1.7 CALENDAR AND HOURS

The following is the 2011-2012 school calendar. Students are to arrive no earlier than 8:10am and no later than 8:30am, as there will be no supervision unless students are signed into Extended Care. The opening of the school day is very important and we expect all students to be on time. Students entering after 8:30am must report to the office for admittance into class and must be signed in by a parent or adult and receive a tardy slip.

CALENDAR

See Calendar in back of Handbook.

HOURS

K/1	8:30am – 3:05pm
Grades 2 – 6	8:30am – 3:15pm

*If there is no school on a Monday, we will have school on a Friday. After-school extended care will not be provided on Fridays.

II. ADMISSIONS AND ATTENDANCE

2.1 ADMISSION

Students entering kindergarten must be 5 years old before 12:00 AM September 1st of the school year in which they enroll. For information concerning enrollment or the lottery process, please refer to the Admission Section of our AKCS website (www.alicekingcommunityschool.org). AKCS does not discriminate against any student based on race, gender, religious affiliation, national origin, ethnicity, physical or mental disability, or sexual orientation. The school is nonsectarian in its programs, admission policies, and employment practices.

2.2 REGISTRATION/ENROLLMENT

Registration is completed or updated each year to ensure that all information is current on each student. All the following information is to be completed as part of the enrollment process. Failure to provide the required information may delay or result in a student not being officially enrolled at AKCS, jeopardizing his/her place at our charter school where space is limited. Consequently, at the time of enrollment please provide the following completed forms:

- enrollment forms
- emergency information forms
- health/medical consent forms
- immunization records
- free and reduced lunch forms (if applicable)
- copy of birth certificate
- custody orders (if applicable)

Please note that according to state law, all students must be in compliance with state immunization requirements, be in the process of receiving the immunization series, or meet exemption criteria before starting school. Exemptions are permitted for medical reasons or due to the conscientiously held beliefs of the parent/guardian. Proof of an exemption must be provided in lieu of immunizations records to be allowed to enroll.

Once all applicable forms are completed and returned to the school, your student's registration will be deemed completed and you will be notified if he/she is officially enrolled. Please contact the office as soon as possible with any change of address, contact information, emergency information, custody modification orders or phone numbers.

2.3 HOME LANGUAGE SURVEY

Each student entering AKCS for the first time must complete a Home Language Survey. The survey form, which has three (3) questions to be answered concerning the student's language, is a part of the enrollment packet. If a student answers "yes" to any one of the three questions on the survey, the school will assess the student's English proficiency to determine eligibility for services. Please contact the school's principal for more information on the English Language Learner program at AKCS.

2.4 PARENT CUSTODY

When parents are separated or divorced, it is recommended that the school have a signed court order defining custody and visitation rights. When parents share custody, i.e. have "joint custody," each parent has the right to access and to receive copies of school records and information, to attend conferences, and to be informed about the child's welfare, educational progress, and status.

The custodial parent(s) are responsible for:

- providing a copy of the signed and certified court order to the school; and
- providing the school with any revisions/updates to the court order that affect custody, visitation, or student record-access rights.

The school is responsible to:

- maintain a copy of the relevant sections of the court order; inform appropriate school personnel of the provisions or restrictions in the court order; and
- abide by the provisions and/or restrictions ordered, and the non-custodial parents requests that are consistent with the order.

The school is not required to hold a separate conference for each parent. Please be sure that the school has appropriate contact information for both parents to ensure consistent communications. Unless prohibited by a court order, and upon request, the school will:

- send duplicate correspondence to the non-custodial parent or both custodial parents;
- arrange for review of school records by the non-custodial parents;
- keep non-custodial parents apprised of major school events.

2.5 CHANGE OF CONTACT INFORMATION

It is most important that parents notify the school immediately of any change in their contact information including their physical address, telephone number (s) and email address. Unlisted numbers will be held in confidence when requested.

2.6 ATTENDANCE

AKCS students are expected to arrive on time (8:25) and adequately prepared for their day. If your child is absent or late, please contact the school at 344-0746. If your child is late (all arrivals after 8:30), he/she will need to be escorted into the front office and signed in as tardy. While regular attendance is required, SICK CHILDREN SHOULD REMAIN AT HOME.

2.7 COMPULSORY ATTENDANCE POLICY

AKCS is committed (and legally obligated) to enforce the New Mexico Compulsory School Attendance Law. The following attendance requirements are consistent with a student's obligation to attend and a parent/guardian's obligation to ensure that their child attends school. AKCS hopes that every parent will consider regular and timely attendance to be imperative to their child's educational success.

2.7.01 *Excused Absences* - A parent/guardian must provide notice of an excused absence by phone or a signed written note describing one of the reasons listed below. The Principal shall in his/her sole discretion determine whether there is a sufficient basis to excuse the absence. Whenever possible, notification of a student's absence should be given prior to missing school. However, when the circumstances dictate, the information concerning a child's absence should be provided as soon after the missed school as possible. Failure to advise the school's attendance clerk in writing or by a telephone within two days of a child's absence will result in an "unexcused absence." Absences will only be excused for the following reasons:

- * Doctors' appointment
- * Religious commitment
- * Family emergency
- * Illness
- * Death in the family
- * Diagnostic testing
- * Extenuating circumstances

Absences due to extenuating circumstances may be excused by the Principal. The Principal may request additional documentation to substantiate an "excuse" for an absence at his/her discretion.

PLEASE CONTACT THE AKCS OFFICE AT 505-344-0746 TO NOTIFY US OF YOUR CHILD'S ABSENCE.

2.7.02 *Makeup Assignment* - Assignments missed due to excused absences must be made up by the student. The student is responsible for obtaining his/her assignments from his/her teacher and completing it within the time frame determined by the teacher.

2.7.03 *Unexcused Absences* - Unexcused absences will be tracked for purposes of determining whether a student's attendance complies with the Compulsory School Attendance Law, NMSA 1978 §§22-12-1, et seq. An "unexcused absence" means an absence from school or classes for which the student does not have an allowable excuse as determined by the rules of the AKCS Governing Council. AKCS rules provide that a student's absence will be recorded as "unexcused" for the following reasons.

- * Tardy for school more than 15 minutes
- * If pre-registered, not showing up for first day of school
- * Leaving school for non-school sponsored trips
- * Absences related to custodial parent changes
- * Trips to other countries for non-school related legal problems
- * Lack of transportation to or from school
- * Family vacations outside of scheduled school breaks
- * Any other absence for which the principal deems the reason insufficient

2.7.04 *Students in Need of Early Intervention* - A student will be deemed “a student in need of intervention” if he or she accumulates five unexcused absences within a school year.

2.7.05 *Habitual truant* - A student is “habitually truant” if he/she accumulates 10 or more unexcused absences in a school year.

2.7.06 *Notification and Cooperation* - AKCS will attempt to identify early on when there is a problem with a student’s regular attendance and to assist when feasible both the student and his/her parent/guardian to improve attendance.

Steps:

#1. After five unexcused absences: If a student is in need of early intervention, AKCS shall contact the student’s parent(s)/guardians(s) to inform them that the student has unexcused absences from school and to discuss possible interventions unless after the school’s contact, the parent(s)/guardian(s) provide an acceptable explanation for the absence and the excuse complies with the school’s attendance policy. If after the initial contact the student’s absences are not deemed excused, a representative of the school shall meet with the student in need of early intervention and his/her parent(s)/guardian(s) to identify the causes for the student’s unexcused absences, identify what actions can be taken that might prevent the student’s unexcused absences, identify possible school and community resources to address the causes for the student’s unexcused absences, and establish a corrective action plan to address the student’s unexcused absences.

#2. After ten unexcused absences: If the student is a habitual truant, the school shall, in addition, give written notice of the habitual truancy by mail to or by personal service on the student’s parent(s)/guardian(s). The notice shall include a date, time and place for the parent to meet with the school to develop intervention strategies that focus on keeping the student in an educational setting. If there is another unexcused absence after delivery of a written notice of habitual truancy, the student shall within seven (7) days of this unexcused absence be reported to the probation services of the judicial district where the student resides.

2.8 LEAVING SCHOOL BEFORE DAY’S END

A child is not permitted to leave the school grounds before regular dismissal, without a parent/guardian checking them out, in person, through the office. Parents are to come directly to the office, sign their child out, and the child will be called from the classroom. Unless authorized by administrative staff, parents should wait for their child in the office. No one may check your child out of school unless they are listed on the registration card or you have notified us, in writing, prior to the dismissal. Parents are strongly encouraged to schedule doctor and dentist appointments after 3:15pm or on Fridays.

2.9 DROP OFF AND PICK UP

BEFORE SCHOOL STUDENT DROP-OFF – 8:10AM – 8:25AM

(STUDENTS ARRIVING AFTER 8:25 MUST BE BROUGHT TO THE OFFICE AND SIGNED IN)

There are entrances on the west on 19th Street. Refer to Campus Map in back of handbook. Please follow the direction of staff on duty outside in the mornings. For the safety of everyone, children are expected to walk immediately into the supervised playground area. If you need to speak with school personnel, please park your car (do not block drop off area). Do not drop your child off any earlier than 8:15a.m. In the afternoons, children will be dismissed at 3:05 (K/1) or 3:15 (Grades 2-6) and will be lined up at the gate for parents to pick them up. Parents are asked to park on the street or across the street and walk over to playground. Parents with babies and toddlers in car seats can pull up to curb and staff on duty will

assist your child(ren) to the vehicle. Students who are dropped off early or who are picked up late will be sent to Extended Care and a charge will be applied.

2.10 EXTENDED CARE

Extended Care will be provided at AKCS from 7:30am until 8:30am. Extended Care is provided for a charge and must be pre-arranged and paid for in advance. You can enroll your child (or children) in Extended Care for any or all of the times offered during the school week. Sign-up forms for our morning Extended Care program are available in our office. For students who need to take advantage of the optional 3:15 – 3:30pm Instructional Period, there will be no charge. After-care is provided from 3:15 - 5:00pm. If an emergency occurs and you are unable to pick your student by 5:00pm, please contact our office as soon as possible to let us know and we will keep them in our office. Abuse of this policy will not be tolerated. Proper authorities may be contacted after repeated instances of failing to timely pickup children from Extended Care, or if a parent/guardian does not pick up their child/children until after office hours. Late charges will be applied.

2.11 ABBREVIATED (DUE TO WEATHER) DAY

2.11.01 *Notice* - AKCS will follow the Albuquerque Public Schools' ("APS") schedule on days where weather prevents school from beginning on time or where an early release is ordered. Parents should stay tuned to the available news media on days of inclement weather. If weather conditions worsen during the day and APS directs that schools close early, AKCS will notify parents by phone or other means of communication to come pick up their student(s).

2.11.02 *Early Dismissal* - The following emergency procedures will be followed at AKCS in the event of early dismissal due to inclement weather or other unforeseen event which necessitates closing the school early:

Parents will be notified by phone and through the local media that students will be dismissed early.

We will keep students at a safe place at the school site until parents or their listed designee arrives for them, i.e., relative, friend, etc.

If the parent cannot be reached, the designee will be contacted at the emergency telephone number listed on the enrollment card.

Teachers will request identification of any person they do not recognize as the parent or designee before releasing the student.

It is important to realize that under some emergency situations, it may not be possible to notify everyone by telephone, but we will do our very best with your cooperation. Your assistance is necessary in order to have a safe and orderly dismissal.

III. SCHOOL HEALTH

3.1 ILLNESSES/CONTAGIOUS DISEASES.

For the protection of all children, your child should be kept at home if he/she has any of the following symptoms: fever, diarrhea, vomiting, a rash, nasal discharge, or discharge from the eyes or ears. Parents should exercise every caution and keep their child home should other unusual symptoms occur. If a child becomes ill while at school, a parent will be called to pick up the child immediately.

If your child has been exposed to a contagious disease, he/she should be kept at home and the occurrence of his/her condition should be reported to the school immediately. Chicken pox, ear infections, giardia, hepatitis, measles, mumps, scarlet fever, strep, and viral infections are among those conditions categorized as "highly contagious".

3.2 MEDICATIONS POLICY.

Diagnosis, treatment of illness, or prescribing drugs and medications are never responsibilities of a school and should not be practiced by any school personnel. School personnel will dispense only medications that have been prescribed by a physician. When possible, medication doses should be given at home to avoid interruptions in the school day. If medication is needed during the school day, the policy is as follows:

Inform. Parents/guardians must inform the nurse or administrator when a pupil requires medications during the school day. Students observed by school personnel self-administering unauthorized medications shall be reported to their parents/guardians.

Written Permission. A written statement is required from the parent/guardian and physician authorizing the administration of all medications and releasing school personnel from liability should reactions result from the medication. The written statement must include the student's name, diagnosis, name of medication, dose, time to be given, and signatures of parent/guardian and physician. Forms are available from the office.

Labeled Containers. Medication must be provided in pharmacy labeled containers that indicate pharmacy name and telephone number, student's name, physician, name and dosage of medication. The dispensing pharmacy must split medication into duplicate bottles if it is necessary to give medication during school hours. One bottle will be kept at home and the other at school under the care of school authorities.

Administration. A nurse will administer prescribed medication. In the absence of the nurse, the medication will be dispensed by an authorized/trained personnel. Students will be allowed to carry and self-administer medications only with a physician's and parent's written permission, in cases of potential emergency (See additional requirement below).

Doctor's Orders. Tylenol or other over-the-counter medicines will be administered to students only with the parent authorization as required above. Such over-the counter medication must be in the original container. **Again, parents are urged to administer such medication at home when possible.**

Disposal. When the medication is no longer needed, it will be returned to the parent or guardian, or destroyed. Medications requiring refrigeration will be kept in a closed and clearly identified container in the refrigerator.

**PLEASE DO NOT SEND COUGH DROPS IN YOUR CHILD'S POCKETS, BACKPACK, OR LUNCH BOX.
THESE ARE CONSIDERED MEDICATIONS AND ARE TO BE TREATED AS OUTLINE ABOVE.**

3.3 SELF-ADMINISTRATION OF CERTAIN DRUGS.

Students will be allowed to carry and self-administer asthma medication, emergency anaphylaxis medication, and/or equipment and supplies for storage and disposal of sharps for self-assessment and for self

administration of diabetes treatment medications, if it has been legally prescribed to the student by a health care provider under the following circumstances:

1. The health care provider has instructed the student in the correct and responsible use of the medication;
2. The student has demonstrated to the health care provider and the school nurse or other school official the skill level necessary to use the medication and any device that is necessary to administer the medication as prescribed;
3. The school nurse or health care provider, within input from the parent or guardian and based on the student's health care practitioner's medical orders, has formulated a written treatment plan for managing the student's care and for medication use by the student during school hours or school-sponsored activities, including transit to or from school or school-sponsored activities; and
4. The student's parent has completed and submitted to the school any written documentation required by the school, including the treatment plan required in paragraph (3) above and a statement relieving the school and its employees and agents from liability arising from the performance the student's self-administration, carrying or storage of medication, supplies and medication-administration equipment.

The parent of a student who is allowed to carry and self-administer asthma medication, emergency anaphylaxis medication, or diabetes medication/equipment may provide the school with backup medication and equipment that shall be kept in a location to which the student has immediate access in the event of an asthma, anaphylaxis or diabetes emergency.

THE SCHOOL SHALL NOT BE LIABLE AS A RESULT OF ANY INJURY ARISING FROM THE PERFORMANCE OF SELF-ASSESSMENT PROCEDURES AND THE SELF-ADMINISTRATION OF MEDICATION NOR FROM ANY INJURY ARISING FROM THE STUDENT CARRYING AND, IF APPLICABLE, DISPOSING OF THE MEDICATION OR SUPPLIES NEED TO ADMINISTER MEDICATIONS.

3.4 MEDICAL SITUATIONS AND EMERGENCIES

Emergencies. In the event of a medical emergency or an accident, we will first attempt to contact the parent/guardian or the doctor of the child, unless AKCS determines that the circumstances merit contacting 911 for emergency response. After 911 is called, AKCS will make every effort to reach the child's parent/guardian, or other emergency contact prior to treatment, however, this may not always be possible. For this reason it is absolutely necessary that all contact information on the "Permission for Medical Attention" be completed and kept current.

Staff Aid. Staff members are required to have current first aid and CPR certification. Should first aid be needed, a first aid-certified staff member or other person assigned to take care of a particular situation will administer first aid or give instructions for proper care. All staff members will follow these instructions carefully.

Incidents at School/Reports Home. Health office visits will be charted and nurse pass slips describing the nature of health office visits will be sent home with children. Minor accidents (e.g., bruises, scratches, bumps, cuts, scrapes, etc.), which can be taken care of by staff members, will be attended to immediately. The staff member will document the accident on an "Accident Report" form. The staff member will sign the form and submit it to a school administrator for review and signature. A copy will be placed in the parent's file and in the child's file. Parents will be notified of any situation that involves trauma to the head

Accidental Poisoning. In the case of poisoning, the staff member will call Poison Control immediately and follow their instructions carefully. Parents will be notified and an "Accident Report" written. A first aid kit is readily available and all emergency numbers are posted.

3.5 EXCUSE FROM PHYSICAL EDUCATION

Please send a request to the teacher if your child needs to be excused from physical education. Written instructions are required from the student's physician if the student is to be excused for more than two days, and must include a re-entry date.

3.6 VISION SCREENING

AKCS is required by state laws (NMSA 1978 §22-13-30) to conduct vision screening in the following grades; pre-kindergarten, kindergarten, first grade and third grade, unless a parent affirmatively prohibits the visual screening. You will be notified prior to the scheduled vision screening and may opt out – in writing - of the testing for your student at that time.

IV. SCHOOL RULES AND CONSEQUENCES

4.1 AKCS POLICY ON DISCIPLINE.

A primary responsibility of AKCS and its professional staffs shall be to instill in students an appreciation of our representative form of government, the rights and responsibilities of the individual or group and the legal processes whereby necessary changes are made. AKCS is a community and the rules and regulations of our school are the laws of our community. All members of our community are subject to AKCS rules, which carry corresponding obligations. The right to attend public school is not absolute. It is conditioned on each student's acceptance of the obligation to abide by the lawful rules of the school community until and unless the rules are changed through lawful processes. Teachers, administrators and other school employees also have rights and duties. Teachers are required by law to maintain a suitable environment for teaching in their classes and to assist in maintaining school order and discipline. The administration is responsible for maintaining and facilitating the educational program by ensuring an orderly, safe environment at AKCS. In discharging their duties, all school employees have the right to be free from intimidation or abuse by all community members, including students, parents and visitors and to have their lawful requests and instructions followed.

4.2 AUTHORITY OF AKCS. AKCS has both the authority and the responsibility to ensure that suitable rules of student conduct and appropriate disciplinary processes are established for AKCS. With certain limits, AKCS' Governing Council has the discretion to develop such rules, policies and procedures as it deems appropriate.

4.3 GENERAL STATEMENT OF CITIZENSHIP. Being a member of a school is like being a part of a family or a nation. In order for everyone to get along and to have freedom, all must share certain duties. Rights (freedom) and responsibilities (duties) go hand in hand; the most important rights and responsibilities you have while at AKCS are as follows:

4.3.01 *Have Respect* - At school everyone works to make sure that you are safe and well and that your day will be pleasant. You must do your part by:

- Following directions
- Respect others' personal space
- Respect other people's and our school's property
- Exhibit respectful behavior and language
- Practice safety at all times
- Use of school equipment and materials appropriately
- Stay on school grounds in assigned areas
- Put forth your best effort
- Be thoughtful and attentive when listening

4.3.02 *Free Speech* - All students have the right to express themselves as long as it does not hurt others. When pledging the flag, you should stand with everyone else unless your parents say you should not because of religious beliefs. If there is a school program, party, or play which your parents will not allow you to attend because of religious beliefs, let your teacher know in advance.

4.3.03 *Knowing the Rules* -The school has rules for all students, which you must know and follow. If you break a rule, you will be treated fairly. You will be allowed to tell your side of the story to your teacher or someone in the office. Punishment may include talking with you, talking with your parents or guardians, or you're staying after school or more severe consequences depending on your behavior.

4.3.04 *Getting Together* - During their free time, students may get together on school grounds or buildings if permission has been given and it will not disturb others.

4.3.05 *Learning in School* - Schools will help you grow into a productive and successful adult. To do this, you must take part in all of your classes and other activities to the best of your ability. All school workers are there to help you do your best. If you have any questions or problems, ask for help. Students who bother others and make it hard for them to learn may be removed from the classroom.

4.3.06 *People Who Are Different* - Everyone is different in his or her own special way. We should treat all people in the same way.

4.3.07 *Coming to School* - You must attend school each day and be on time. When you are sick or have a family emergency, you may remain at home. When you return to school, be sure to have a note from your parent or guardian, explaining why you were absent and to ask your teachers about missed assignments.

4.4 DRESS CODE

Freedom of expression, good judgment, respect for others and safety are the foundations of AKCS's approach towards student dress. Clothing and accessories must be safe and non-distracting or disruptive to the educational program. Without limiting the generality of these principles, the following guidelines will be observed:

- Attire or accessories which advertise, display or promote any drug, alcohol, tobacco, sexual activity, violence, disrespect or bigotry towards any group are not acceptable
- Unacceptable clothing includes: sagging/bagging pants, midriff length tops, shorts/skirts shorter than finger-tip length, bare skin or underwear showing around the waste-line area.
- Unacceptable shoes: Flip flop shoes or "heelies" and not permitted. Shoes must be closed-toed.
- Shoes for PE Days: Sneakers or gym shoes are required for Physical Education. Classroom teachers can provide information concerning the days your children will have PE. Students wearing inappropriate shoes may be prohibited from participating in recess or PE.

Students may be removed from class and be required to obtain appropriate dress before being allowed to return. Repeated violations of the student dress guidelines may result in additional consequences at the sole discretion of the Principal.

4.5 SPECIFIC PROHIBITED CONDUCT

The following conduct is prohibited at AKCS and will result in disciplinary actions as described in this policy. AKCS gives notice that not all inappropriate student behavior can be identified and consequently there may other circumstances that result in a student being disciplined for his or her conduct.

It shall not matter for disciplinary purposes whether it is directed toward the teacher, classmates, or merely done overtly.

4.5.06 *Theft or Pilfering* – Taking someone else’s belongings without his/her permission, no matter how small. A student involved in the act of stealing or in possession of stolen property may face criminal charges along with other disciplinary actions by AKCS.

4.5.11 *Threats* - Serious threats made by a student against the life of another student, teacher or other school personnel shall immediately be reported to the Principal or his/her designee. The Principal may at his/her discretion under the circumstances inform the person to whom the threat was directed of the situation. Appropriate authorities may be called. See, 4.4.16, below.

4.5.12 *False Accusations* - Accusations or charges made by a student against a teacher, administrator or other school personnel shall be reported to the Principal or designee, who shall conduct a complete investigation of the accusations or charges made by the student. Any student found to have intentionally made false accusations or charges that jeopardize the professional reputation, employment, or professional certification of a teacher, administrator or other school district personnel, shall be subject to disciplinary action for a serious breach of conduct.

4.5.13 *Failure to Report Serious Offenses* – Students who are aware of serious offenses, which include but are not limited to, the possession of weapons, firearms, and drugs, must report that information to a teacher or Principal at their earliest opportunity. Failure to report serious offenses may be cause for disciplinary action.

4.5.14 *Bullying and/or Harassment* – If, upon investigation, a student has been found to have committed an act(s) of bullying and/or harassment, the student may be suspended or recommended for expulsion. Criminal charges may also be filed if warranted. See, Sections. 4.21 and 4.22 below

4.5.15 *Possession of Dangerous or Disruptive Items* - Any item in the possession of or being used by a student which disrupts the class, distracts his/her attention from the class, defaces school property, or in any way endangers the safety of himself/herself or others shall be taken by the teacher and held until proper disposition of the item(s) can be made. Teachers are not to destroy such items. Students who refuse to cooperate shall be reported to the Principal for further action. Possession or use of a dangerous or disruptive item while on school property or in attendance at a school function may be grounds for suspension and/or expulsion and referral to proper law enforcement agencies.

4.5.16 *Weapons* - AKCS prohibits students from possessing, storing, making, carrying, concealing in a backpack or on their persons, or using a weapon or other devices designed to inflict serious bodily harm in any setting that is under the control and supervision of AKCS. This includes school activities, property leased, owned, or contracted for by AKCS, a school-sponsored event, and/or while in school sponsored transportation. The term “weapon” includes a firearm, destructive device, knife/cutting instrument and other weapon as defined herein.

A firearm is any device which will, is designed to, or may readily be converted to expel a projectile by the action of an explosive; the frame or receiver of any such weapon; any firearm muffler or firearm silencer; any destructive device; or any machine gun. Students must immediately report knowledge of weapons and threats of violence by students and staff to the Principal. Failure to report such knowledge may subject the student to immediate suspension and potential expulsion from school. The Principal shall immediately report to the appropriate law enforcement agency if a dangerous weapon is found or is suspected to be in the possession of a School employee or a visitor.

Exception Items pre-approved in writing by the Superintendent upon request of the building principal as part of a class or individual presentation or a theatrical prop used under adult supervision, if used for the purpose and in the manner approved, would be an exception to this AKCS policy; working firearms and any ammunition will never be approved as part of a presentation.

4.5.17 *Possession - Sale and/or Use of Alcoholic Beverages, Narcotics, Illegal Drugs, and/or Prohibited Substances.* AKCS prohibits students from using, possessing, distributing or trafficking tobacco, alcohol and/or illegal drugs on school property, at school, or at school-sponsored activities. 4.6 ELECTRONIC DEVICES

Students are not permitted to bring radios, tape players, electronic games, compact disks, pagers, Gameboys or other electronic devices (see Cell Phone Policy below) to school during the school day. Teachers and administrators will take appropriate actions if a student is observed using an electronic device during the school day, or if such devices disrupt the instructional setting. Disciplinary actions may include: immediate confiscation, a parent conference, in-school suspension or suspension, and loss of privileges.

4.7 CELL PHONES

If a family deems it necessary for a student to bring a cell phone to school, the following rule applies. Administration must be notified, and the phone must be in the “off” position and not be displayed for use during the entire school day. A student may only use his/her phone during the school day while in the administration office with permission to call his/her parent, guardian or designated person for an emergency or other appropriate reason or after or before school hours. Misuse of the cell phone rules will result in confiscation and the Principal will call the parents to meet with the Principal for purpose of discussing this policy and in order to retrieve the cell phone. AKCS is not responsible for the loss and/or theft of any of cell phones.

4.8 CYBER BULLYING

Cyber bullying defined as a situation when a child is repeatedly harassed, humiliated, threatened, and intimidated, or otherwise targeted by another person through the use of digital technologies, including but not

limited to, instant and text messaging, email, blogs, social websites (e.g. MySpace, Facebook), and chat rooms, therefore, affecting the student's learning environment. AKCS is committed to providing a safe, positive, productive, and nurturing educational environment for all of its students. AKCS encourages the promotion of positive interpersonal relations between members of the school community. Aggressive behavior toward a student, whether by other students, staff, or third parties using social networking technologies is strictly prohibited and will not be tolerated. AKCS will not tolerate any gestures, comments, threats, or actions, which cause or threaten to cause bodily harm or personal degradation using these social networking technologies. This policy applies to all activities at AKCS, including activities on school property or while in route to or from school sponsored activities and during any school-sponsored, school approved or school-related activity or function, such as field trips or athletic events where students are under the school's control, where an employee is engaged in school business, or if occurring off school property if the activity disrupts the school environment or another student's access to a safe and healthy school environment.

4.9 SEARCH AND SEIZURE

4.9.01 *Search of Property* - AKCS recognizes that the privacy of students or their belongings may not be violated by unreasonable search and seizure and directs that no student be searched without reasonable suspicion or in an unreasonable manner. These searches are intended to be minimally intrusive such as emptying pockets, cubby holes, lockers (if applicable), backpacks, purses, removal of hats, socks, and shoes may be conducted by the Principal. In the case of storage spaces provided to students by AKCS, these spaces shall remain property of AKCS and, in accordance with law, may be the subject of random searches. If students are provided places that can be secured by locks, students may lock them against incursion by other students, but in no such places shall students have such an expectation of privacy as to prevent examination by a school official. School authorities are charged with the responsibility of safeguarding the safety and well-being of the students in their care. In the discharge of that responsibility, school authorities may search the person or property of a student, with or without the student's consent, whenever they reasonably suspect that the search is required to discover evidence of a violation of law or of school rules. The extent of the search will be governed by the seriousness of the alleged infraction and the student's age. This authorization to search shall also apply at AKCS's facility, during any school-sponsored activity whether on or off campus.

4.9.02 *Search of Person* - Unless there is an immediate threat of health or safety of the student or others, parents/guardians of the student will be called prior to any search of a student's person. Search of a student's person shall be conducted by a person of the student's gender, in the presence of another staff member of the same gender, and only in exceptional circumstances – that is - when the health or safety of the student or of others is immediately threatened. Except as provided below, a request for the search of a student or a student's possessions will be directed to the Principal who shall seek the freely offered consent of the student to the inspection. Search of a student's person, will involve, at most, a "pat down" of the students outer clothing. Whenever possible, search of a student's person will be conducted by the Principal in the presence of the student's parent and a staff member other than the Principal. A search prompted by the reasonable suspicion that health and safety are immediately threatened will be conducted with as much speed and dispatch as may be required to protect persons and property. In no event shall an AKCS student be subjected to a "strip search."

4.9.03 *Seizure of items* - Illegal items, legal items which threaten the safety or security of others and items which are used to disrupt or interfere with the educational process may be seized by authorized persons. Seized items shall be released to appropriate authorities or a student's parent or returned to the student when and if the administrative authority deems appropriate.

4.9.04 *Notification of law enforcement authorities* - The Principal shall have discretion to notify the local children's court attorney, district attorney or other law enforcement officers when search for possession of an illegal substance or item is suspected, to conduct the search. If the school conducts the

search and it discloses illegally possessed contraband material or evidence of some other crime or delinquent act, local law enforcement will be called.

4.9.05 *Record Keeping* - The Principal shall promptly make a record of each search of a student's property or person and include the reasons for the search; information received that established the need for the search and the name of informant, if any; the persons present when the search was conducted; any substances or objects found; and the disposition made of them. The Principal shall be responsible for the custody, control, and disposition of any illegal or dangerous substance or object taken from a student.

4.10 VIOLENT OR AGGRESSIVE BEHAVIOR.

4.10.01 *Defined* - Violent or aggressive behavior is defined as inappropriate conduct that is repeated enough, or serious enough, to negatively impact a student's educational, physical, or emotional well being. This type of behavior is a form of intimidation and harassment, although it need not be based on any of the legally protected characteristics, such as sex, race, color, national origin, marital status, or disability. It would include, but not be limited to, such behaviors as stalking, bullying/cyber bullying, intimidating, menacing, coercion, name-calling, taunting, making threats, and hazing.

4.10.02 *Duty to Report* - Any student who believes he/she has been or is the victim of aggressive behavior should immediately report his/her concerns to a teacher or counselor who will be responsible for notifying the Principal. Complaints against the building Principal should be filed with the counselor, Human Resource Director, or the Governing Council President. Every student is encouraged, and every staff member is required, to report any situation that they believe to be aggressive behavior directed toward a student. Reports may be made to those identified above.

4.11 CLASSROOM RULES

Individual classrooms have additional rules and consequences that will be reviewed with your child by the classroom teacher.

4.12 CONSEQUENCES The following consequences may be imposed by the Principal, in addition to consequences developed by the classroom teacher, for violations of school rules.

Step I. Students who choose to disobey rules will be sent to meet with the Principal to discuss the behavior. An Incident Report will be sent to the parent/guardian. The parents are to sign and return the copy of the slip with the child on the day after it was received. Depending upon the infraction, an additional consequence may be applied such at the Principal's discretion.

Step II. When a student receives his/her 3rd referral, parents will be contacted by the Principal so that arrangements may be made for the student to meet with the Principal, Classroom Teacher, his/her Parents/Guardians and any other appropriate staff to discuss the referrals and develop a plan/contract.

Step III. Additional referrals will result in a referral to the Student Assistant Team to discuss other possible interventions such as a behavior management program, additional participation in the "Social Skills" program, a mentorship, screenings or evaluations, or other disciplinary action deemed appropriate by administration. A progressive discipline continuum provides consequences that range from a warning or loss of playtime to suspension or expulsion. The AM or PM recess provided to all students will not be utilized as a behavioral consequence unless the student presents a safety risk to self or others.

4.13 DETENTIONS, SUSPENSION, AND EXPULSION

AKCS along with the cooperation of the student and his/her parent/guardian will take steps to avoid having to impose any stronger measures of discipline than contemplated in Steps I through III above. However, when prior efforts to correct behavior or if the situation warrants, AKCS may choose to impose detentions, suspension and/or expulsion.

4.14 DUE PROCESS/REFERRALS

4.14.01 *Due Process* - Students have certain rights, but also have the responsibility to respect the rights and property of others. If a student fails to do this, disciplinary action will follow. In disciplinary cases, each student is entitled to due process. The extent of the due process required will depend upon the severity of the infraction and the related consequence. This means students: □« Will be informed of accusations against them. □« Will have the opportunity to accept or deny the accusations. □« Will have explained to them the factual basis for the accusations. □« Will have a chance to respond to the facts presented against them.

4.14.02 *Referrals* - All discipline referrals submitted to the Principal/designee will begin with a conference with the student. If a student requests to have a parent/guardian contacted, the school will make reasonable efforts to contact the parent/guardian. In the case of suspensions/expulsions, parents will be notified of consequences by a personal phone call accompanied by a written referral form. If attempts to notify parents by telephone are unsuccessful, parents will be notified by written referral form only. Parent involvement is an important part of the discipline at all levels.

4.15 SHORT TERM SUSPENSIONS A short-term suspension is a mandatory absence from school for a period of 10 days or less. If the Principal decides that the alleged misconduct warrants a consequence of a suspension for 10 days or less, the Principal shall give the student an informal due process hearing and shall examine all the pertinent facts to determine whether or not a violation did occur. The student shall be afforded due process rights including the opportunity to present to the principal/designee his or her defense or position concerning the alleged violation. After the conclusion of the investigation, the Principal designee, upon the basis of all facts and information learned, shall determine if the student committed a conduct violation. If the student is found to have committed a violation, a consequence or suspension may be imposed for a period of time not to exceed 10 days. If a suspension is imposed, the principal imposing the suspension shall keep a record of the aforesaid proceedings. A parent may request an administrative review of the discipline data and decision to suspend. Homework can be provided at the request of the parent. There is no level of appeal higher than the principal for a suspension of 10 days or less.

4.16 LONG TERM SUSPENSION

A long term suspension is a mandatory absence from school for a period exceeding 10 days and up to the balance of the school year. If the principal/designee decides that the alleged misconduct is sufficiently serious so that the consequence should be a suspension in excess of 10 days or expulsion, the accused student shall be afforded his or her due process rights. There shall be an investigation to determine if there is sufficient probable cause to charge the student with an act of misconduct, which may result in a suspension in excess of 10 days or an expulsion. When a student is charged by the principal/designee with misconduct, which may result in long-term suspension or expulsion, the parent(s) or guardian of the student shall be informed within a reasonable time period by telephone or letter of the charges against the student.

4.17 PROCEDURES FOR LONG TERM SUSPENSION/EXPULSION

The suspension shall be in accord with 6.11.2 New Mexico Administrative Code. The ability to make up work for credit during long - term suspension is at the discretion of the hearing officer or the Governing Board and will only be allowed in exceptional circumstances.

4.17.01 *Notice* - If the Principal believes that a long-term suspension may be warranted as a result of alleged misconduct of a student, the Principal will notify the parent(s) in writing of the grounds for the proposed suspension and the date, time and location of the suspension hearing. Notice will be given by certified mail return receipt or by personal delivery addressed to the student and his/her parents/guardians.

The notice shall contain:

- The time, date and place of the hearing
- The name of the hearing officer
- A description of the alleged misconduct, the standard of student conduct allegedly violated and the proposed discipline
- A copy of 6.11.2 NMAC, “Students Rights and Responsibilities,”
- A clear statement that the hearing will take place as scheduled unless the hearing officer grants a delay or the student and parent agrees to waive the hearing and comply voluntarily with the proposed disciplinary action or with a negotiated penalty, and a clear and conspicuous warning that a failure to appear will not delay the hearing and may lead to the imposition of the proposed penalty by default.
- A statement that notice must be given to the Principal at least 72 (seventy-two) hours before the hearing if the student or his parent(s) will have an attorney present.
- Contact information for person from who the parent may request a delay or additional information
- A description of the hearing proceedings.

4.17.02 *Hearing Officer* – Suspension and Expulsion hearings will be conducted by an independent hearing officer.

4.17.03 *Time of Hearing* – The hearing shall not be any sooner than five (5) nor later than 10 (ten) school days from the date the notice was received. The hearing officer shall have the discretion to extend the time for hearing, however, if the delay extends beyond the 10 (ten) school days, the student shall be returned to school pending the outcome of the hearing.

4.17.04 *Decision* – The Hearing Officer may announce a decision at the close of any the hearing. The hearing officer shall also prepare a written decision, including concise reasons for the decision and the penalty to be imposed, if any, and mail or deliver it to the Principal and the student, through the parent, within five (5) working days after the review is concluded.

4.18 LONG-TERM SUSPENSION/EXPULSION APPEAL

A student aggrieved by the hearing officers has the right to have the decision reviewed if the penalty imposed was at least as severe as a long-term suspension or expulsion, an in-school suspension exceeding one school semester or a denial or restriction of student privileges for one semester or longer. The appeal shall be to the Governing Council or its designee. The Governing Council may grant a right of review for less severe penalties. A student request for review must be submitted to the Governing Council President within ten (10) school days after the student is informed of the hearing officer’s decision.

4.18.01 *Conduct of review* - The Governing Council shall have discretion to modify the hearing officer’s decision by including imposing any lesser sanction deemed appropriate. The Governing Council shall be bound by the hearing authority's factual determinations unless the student persuades the Governing Council that a finding of fact was arbitrary, capricious or unsupported by substantial evidence or that new evidence which has come to light since the hearing and which could not with reasonable diligence have been discovered in time for the hearing would manifestly change the factual determination. Upon any such finding, the Governing Council shall have discretion to receive new evidence, reconsider evidence introduced at the hearing or conduct a new hearing. In the absence of any such finding, the review shall be limited to an inquiry into the appropriateness of the penalty imposed.

4.18.02 *Form of review* - The Governing Council shall have discretion to conduct a review on the written record of the hearing and decision in the case, to limit new submissions by the aggrieved student and school authorities to written materials or to grant a conference or hearing at which the student and his or her representative, and school authorities may present their respective views in person.

4.18.03 *Timing of review* - Except in extraordinary circumstances, a review shall be concluded no later than fifteen (15) working days after a student's written request for review is received by the appropriate administrative authority.

4.18.04 *Decision* - The Governing Council may announce a decision at the close of any conference or hearing held on review. In any event, the Governing Council shall prepare a written decision, including concise reasons, and mail or deliver it to the Principal, the hearing authority and the student, through the parent, within ten (10) working days after the review is concluded.

4.18.05 *Effect of decision* - The Governing Council's decision shall be the final administrative action to which a student is entitled.

4.18.06 *NMPED Compliance* – The process followed by AKCS shall conform to 6.11.2 NMAC and to the extent any provision of this section conflicts with the NMPED regulation, the regulation shall govern.

4.19 CLASSROOM CONTROL/CORPORAL PUNISHMENT

A teacher or other member of the certificated staff shall assume such authority for the control of students who are assigned to him/her by the Principal or designee and shall keep good order in the classroom. To that end, each classroom teacher may establish classroom rules that each student must follow. The use of corporal punishment is *prohibited*. Alternative disciplinary procedures, which may include time-out, peer review, or other forms of positive reinforcement should be used to bring about appropriate student classroom behavior

4.20 DISCIPLINE OF STUDENTS WITH DISABILITIES

Students with disabilities are subject to school disciplinary processes. They are also not entitled to remain in a particular educational program when their behavior substantially impairs the education of other children in the program. However, AKCS is required by state law and regulations (6.11.2 NMAC) to meet the individual educational needs of students with disabilities as described by their IEP.

4.20.01 *Long-Term Suspensions or Expulsions* – Discipline of students with disabilities shall be governed by the procedures set forth in Section 6.11.2.11 NMAC.

4.20.02 *Temporary Suspension* - of students with disabilities may be imposed in accordance with the normal procedures prescribed in Subsection D of Section 6.11.2.12 NMAC, provided that the student is returned to the same educational placement after the temporary suspension and unless a temporary suspension is prohibited under the provisions of Subsection G, Paragraph (3) of 6.11.2.10 NMAC.

4.20.03 *Program Prescriptions* - A student with a disability's individualized education program (IEP) need not affirmatively authorize disciplinary actions which are not otherwise in conflict with the regulation. However, the IEP Committee may prescribe or prohibit specified disciplinary measures for an individual student with a disability by including appropriate provisions in the student's IEP. Administrative authorities shall adhere to any such provisions contained in a student with a disability's IEP, except that an IEP Committee may not prohibit the initiation of for long-term suspension or expulsion which are conducted in accordance with this regulation.

4.20.04 *Immediate Removal* - Immediate removal of a student with disabilities may be done when a student brings a weapon to school or a school function; or knowingly possesses or uses illegal drugs or has sold or solicited the sale of a controlled substance while at school or a school function.

4.21 BULLYING PROHIBITION POLICY

AKCS believes that providing an educational environment for all students, employees, volunteers, and families, free from harassment, intimidation, or bullying supports a total learning experience that promotes personal growth, healthy interpersonal relationships, wellness, and freedom from discrimination and abuse. The safety and well being of all students is of primary importance. AKCS does not permit and it

is the school's goal of preventing and responding to acts of bullying, intimidation, violence, and other similar disruptive behavior.

4.21.01 *Definitions-*

Bullying. Bullying is any written, verbal expression, physical act or gesture or pattern of such that causes a student(s) to feel distressed or intimidated and which substantially interferes with another student(s) education, opportunities or performance in school, on school grounds, in school vehicles or at school activities or sanctioned events.

Harassment. Bullying includes harassment which is knowingly pursuing a pattern of conduct that is intended to annoy alarm or terrorize another person. (Harassment based on race, sex, ethnicity, national origin, religion, disability, age or sexual orientation is addressed below under "Anti-Discrimination and Harassment Policy").

Hazing. Bullying also includes "hazing" which is defined as: committing an act against a student, or coercing a student into committing an act, that creates a risk of harm to a person, in order for that student to be initiated into or affiliated with a student organization, or for any other purpose.

Cyber stalking. means to engage in a course of conduct to communicate, or to cause to be communicated, words, images, or language by or through the use of electronic mail or electronic communication, directed at a specific person, causing substantial emotional distress to that person and serving no legitimate purpose.

Cyber bullying. is defined as a situation when a child is repeatedly harassed, humiliated, threatened, and intimidated, or otherwise targeted by another person through the use of digital technologies, including but not limited to, instant and text messaging, email, blogs, social websites (e.g. MySpace, Facebook), and chat rooms, therefore, affecting the student's learning environment.

4.21.02 *Examples -* Actions that will be viewed as "bullying" include but are not limited to:
Repeated teasing, use of sarcasm or malicious jokes.
Name-calling, belittling comments.
Non verbal behavior such as gestures, or graphic written statements.
Conduct that is physically threatening, harmful, intimidating or humiliating.
Inappropriate physical restraint.
Cyber bullying and Cyber stalking as defined above.

4.21.03 *Reporting and Complaints -* Students and parents may file verbal or written complaints concerning suspected bullying behavior to school personnel and administrators. See, "Bullying Complaint Form" attached at the end of the Student & Family Information Book. Students, parents and/or staff should use the following guidelines when reporting bullying.

Any student who believes he/she has been the victim of harassment, intimidation, bullying, or hazing by a student or school personnel, or any person with knowledge or belief of such conduct that may constitute harassment, intimidation, bullying, or hazing toward a student should immediately report the alleged acts. The report may be made to any staff member including a teacher or the Principal. If the complaint is made by a student, to a staff member he or she will assist the student in reporting to the Principal. Teachers and other school staff who witness acts of bullying or receive student reports of bullying are required to promptly notify the Principal. Reports should be made in writing using the Bullying Complaint Form. A copy of this form will be submitted to the Principal.

If a student makes a verbal report to a teacher, the teacher should complete the form or take the child to the Principal where a form will be completed on the child's behalf.

4.21.04 *Investigation -* The School principal or designee will accept and promptly investigate all reports of intimidation, harassment or bullying. The administrator will make every effort to inform the parents/guardians of the victim and the accused of any report of harassment, intimidation, bullying, or hazing

prior to the investigation taking place. AKCS administration may take immediate steps to protect the complainant, students, teachers, administrators, or other school personnel pending the completion of an investigation.

4.21.05 *Process* - The investigation shall consist of personal interviews with the complainant, the individual(s) against whom the complaint was filed, and others who may have knowledge of the alleged incident(s) or circumstances giving rise to the complaint. The investigation may also consist of other methods or documents deemed relevant by the investigator.

4.21.06 *Confidentiality* - The right to confidentiality, both of the complainant and the accused, shall be preserved consistent with applicable laws and to the extent possible. However, AKCS cannot guaranty absolute confidentiality, because it may be necessary to discuss the complaint with others who are witnesses or who may have information about the complaint.

4.21.07 *Outcome* - The investigation shall be completed as soon as possible. The Principal (or investigator) shall make a written report concerning the bullying. In determining whether the alleged conduct constitutes bullying, the totality of the circumstances, the nature of the conduct, the student's history, and the context in which the alleged conduct occurred will be investigated. The report shall include a determination of whether the allegations have been substantiated as factual and whether they appear to be violations of this policy. A copy of the completed report will be maintained by the Principal. To the extent permitted under the Family Educational Rights and Privacy Act (FERPA)(to protect the privacy of the student alleged to have committed the bullying) the Principal will notify the parent or guardian making the complaint of the outcome of the investigation. The Principal or designee shall notify the parent or guardian about a determination that their child has committed a verified act of bullying and the consequences for the child's actions.

4.21.08 *Consequences* - Verified acts of bullying shall result in intervention by the Principal or his/her designee that is intended to ensure that the prohibition against bullying behavior is enforced. While conduct that rises to the level of "bullying" as defined above will generally warrant disciplinary action against the perpetrator of such bullying, whether and to what extent to impose disciplinary action (detention, in and out-of-school suspension, expulsion, or other consequences to be determined) is a matter for the professional discretion of the Principal. Certainly, repeated offense will warrant increasingly severe consequences, up to and including expulsion.

4.21.09 *Consequences for Knowingly Making False Reports* - False charges shall also be regarded as a serious offense and will result in disciplinary action or other appropriate sanctions.

4.21.10 *Retaliation* - Retaliation against an individual who either orally reports or files a written complaint regarding harassment, intimidation, bullying, or hazing or who participates in or cooperates with an investigation is prohibited.

4.21.11 *Anti-Bullying included in Health Education Curriculum*. "Health Education" is the instructional program that provides the opportunity to motivate and assist all students to maintain and improve their health, prevent disease, and reduce health related risk behaviors. It allows students to develop and demonstrate increasingly sophisticated health-related knowledge, attitudes, skills, and practices. It meets the content standards with benchmarks and performance standards as set forth in 6.30.2.19 NMAC. Bullying behavior is mentioned specifically in many areas of the Health Education performance standards, in all grade levels. All students need to be aware of bullying behavior beginning in Kindergarten and continuing throughout their school years. It imperative that students are comfortable with understanding, describing, and recognizing bullying behaviors, and then in the later grades being able to analyze those behaviors and role play refusal skills. Our curriculum does recognize the importance of bully prevention skills in all grade levels.

4.22 ANTI-DISCRIMINATION AND HARASSMENT POLICY

AKCS recognizes that a student has the right to learn in an environment untainted by sexual or other forms of harassment or discrimination. Offensive conduct which has the purpose or effect of unreasonably

interfering with learning performance or creating an intimidating, hostile, discriminatory, or offensive learning environment disrupts the educational process and impedes the legitimate pedagogical concerns of the AKCS community. Sexual and other forms of harassment will not be tolerated.

4.22.01 *Sexual Harassment* - Sexual harassment includes unwelcome sexual advances, requests for sexual favors, and verbal or physical contacts of a sexual nature whenever submission to or rejection of such conduct results in the denial of or provision of aid, benefits, grades, rewards, employment, faculty assistance, services, or treatment.

4.22.02 *Other Forms of Harassment* - Other prohibited harassment includes conduct which has the purpose or effect of creating an intimidating, hostile, discriminatory, or offensive learning environment; substantially or unreasonably interfering with an individual's academic performance; or otherwise adversely affects an individual's academic opportunities on the basis of race, color, religious creed, age, sex, national origin or ancestry, mental or physical disability, medical condition, sexual orientation, gender identity and/or any other legally protected characteristic. Students shall at all times refrain from using racial slurs, hate-related nicknames, bullying and any other name-calling or put downs.

4.22.03 *Strictly Prohibited* - The harassment by a student of a staff member, fellow student of AKCS or third party (e.g. visitor, volunteer, parent, etc.) is strictly forbidden. In all cases, school personnel will take immediate action to protect the victim of alleged abuse. Any student who is found to have harassed a staff member, third party, or student will be subject to discipline in accordance with law and the Student/Parent Handbook.

4.22.04 *Reporting Violations of Harassment or Discrimination Policy* - A student who believes he/she has been a victim of discrimination and/or harassment and any third persons with knowledge of such conduct shall report the alleged act immediately to the Principal. AKCS will respect the privacy of the complainant, the individual(s) against whom the complaint is filed, and the witnesses as much as possible, consistent with the obligation to investigate, to take appropriate disciplinary action, and to conform to any discovery or disclosure obligations.

4.22.05 *Investigation and School Action* - In determining whether alleged conduct constitutes harassment, the totality of the circumstances, the nature of the conduct, and the context in which the alleged conduct occurred will be investigated. A substantiated charge against a student, employee, visitor, vendor or other individual on AKCS premises for harassment shall subject that individual to disciplinary action or other consequences. Disciplinary action may include, but may not be limited to the following: written warning, detention, written reprimand, suspension, and/or expulsion. The severity of the disciplinary action will depend on the frequency, circumstances, and severity of the offense.

4.22.06 *Retaliation* - AKCS will discipline any individual who retaliates against any person who reports, testifies, assists or participates in any manner in any investigation, proceeding or hearing related to complaints of harassment or discrimination. Retaliation includes, but is not limited to, any form of intimidation, reprisal, or harassment.

4.22.07 *Notification* - It shall be the responsibility of the Principal to ensure that all employees and students receive appropriate training related to the implementation of this policy. In addition, students, employees, volunteers, and vendors shall receive appropriate information related to this policy, including the name of designated person to contact to file a complaint and/or receive information related to this policy.

4.23 WEAPONS

State and federal law requires public school to expel students for one year for carrying guns, knives, or any items used as weapons. To avoid misunderstanding or unintended consequences, do not bring toy weapons or "look alikes" to school. AKCS will report any such violation to the student's parents AND the appropriate legal authorities.

4.24 DAMAGE BY STUDENTS

Any malicious or willful act which destroys, injures, mars, defaces, or otherwise alters any school building, grounds material, equipment, or other school property by a student enrolled at AKCS shall cause parent, guardian, or person standing in loco parentis of the offending student to restore or replace such damaged property to the satisfaction of the Principal or be assessed to pay all costs to restore or replace such damaged property as determined by the true value established by the Principal.

4.25 VIOLATION OF STUDENT RIGHTS

Students believing their rights have been violated should report their concerns to their parents/guardian or the Principal. If the concern is not resolved by the Principal, a report should be made to the Governing Council using the Parent Concern Policy About Student in Section 5.8 below.

V. GENERAL SCHOOL INFORMATION

5.1 GRADING

Report cards are standards-based.

5.2 REPORT CARDS

Report cards are given out tri-annually.

5.3 FIELD TRIPS

Field trips and nature walks are considered an important part of our educational program and will be taken periodically to nearby places. The school will provide adequate and responsible adult supervision. AKCS must have on file an individual permission form for off-campus trips. Parents will be notified in advance of the location of upcoming field trips and travel arrangements.

While on school trips students must follow school rules and guidelines. Students shall at all times, follow instructions and directives of teachers, sponsors, or chaperones in charge of the field trip. Misbehavior may result in disciplinary action.

5.4 LUNCH / SNACK

Children are to bring their own lunches. Again, please pack a nutritious lunch with no sodas and no candy. Refrigerators and microwaves are NOT provided. See back of handbook for ideas for snacks and parties.

5.5 BIRTHDAYS

Birthdays are considered very special occasions and we do allow students to celebrate them while at school. Please make arrangements with your child's teacher for birthday celebrations.

5.6 LOST AND FOUND All lost items are to be turned into the Lost and Found located in the office. Students are encouraged to check for all lost items there. Parents are reminded that a child's name needs to be on every personal and clothing item brought to school. Due to the lack of storage space, clothing items in the Lost and Found may be donated to local charities as often as monthly and definitely at winter and spring breaks.

5.7 PERSONAL PROPERTY If your child does bring an item to school and loses it, he/she may check in the Lost and Found. The school is not responsible for lost or stolen items. Please remind your child that many personal items are not permitted at school and to otherwise leave personal items/toys at home. They can disrupt the learning environment and create safety problems. Also, there is a risk of items being broken, lost or stolen. Students should not bring electronic games. They will be taken from the child and kept in the office until the student's parent/guardian come to the school to retrieve them. It will be up to the parent/guardian to contact the school about the confiscated property.

5.8 PARENTAL CONCERN POLICY ABOUT STUDENT

AKCS encourages parents/guardians to attempt to resolve unsatisfactory situations concerning their child at the lowest possible level. However, it is recognized that sometimes an intermediary is helpful for both sides to move beyond an impasse. Therefore the following policy is provided for resolving situations that are not otherwise covered by formal dispute resolutions process (e.g. student suspensions, special education matters or discrimination/harassment complaints).

Step 1. Speak and/or meet with the person (teacher, staff, or administrator) with whom there is a concern.

Step 2. If a resolution cannot be reached at this level, then the parent or guardian may contact the person's supervisor (likely the Principal) and request a meeting with the Principal and the other AKCS employee with whom there is a disagreement. (If it is the principal with whom there is a disagreement, then move to Step 3.)

Step 3. If a resolution cannot be reached at Level 2, or the issue is with the Principal, then the parent/guardian should submit a written complaint to the Governing Council President requesting a meeting with the Governing Council or its designated committee in closed session. Note - matters concerning a child or employee dispute will not be addressed in an open meeting, unless specifically requested by the parent in writing.

The Governing Council or designated committee will schedule a meeting with the parent/guardian and all AKCS employees concerned as soon as practical after the complaint is received by the President. The Governing Council may designate a committee to hear and issue a decision regarding the concern. The Governing Council or its designated committee will be the final step in process to address the concern. When reaching its decision the Governing Council or its designated committee will take into consideration the best interest of the student and the mission, goals and policies of AKCS.

5.9 GRIEVANCE POLICY TO ADDRESS **NON-STUDENT** CONCERNS

5.9.01 *Initial inquiry* - Inquiries or concerns from a community member, parent or student regarding a specific AKCS staff member or program (NOT A STUDENT) should first be directed to the staff member involved or responsible for such program. If a community member, parent or student (hereinafter "community member") is not sure who is the responsible staff member, or, if the community member has an inquiry or concern of a broad nature, the community member should contact the administrator for clarification on the steps to follow.

5.9.02 *Initial Grievance Process*- If the community member feels the issue has not been satisfactorily handled at the individual staff member level, the issue may be referred to the Principal. After a meeting between the community member and the Principal, the Principal will prepare a written summary of attempt to resolve the community member's concern of the matter is not resolved. A copy will be promptly provided to the community member. If the community member feels the issue has not been satisfactorily resolved at the administrative level the community member may take the issue to the AKCS Governing Council for disposition.

5.9.03 *Governing Council Review* - The Governing Council, in its sole discretion, may decide whether any particular issue submitted to them is appropriate for Governing Council intervention. Typically, the Governing council will NOT review administrative decisions regarding the following: student discipline less than a long term suspension or expulsion, student placements (in special education or regular education classes), complaints about a staff member's performance (except the principal), matters particularly within the expertise of the educational staff and administration. The following procedure shall be followed for a Governing Council Review:

1. The community member may submit his/her grievance in writing to the AKCS Governing Council within five days of receiving the Principal's statement concerning the good faith effort to resolve the dispute.
2. The letter must be in writing, signed by the community member and delivered to the Governing Council at the school. A copy of the Principal's statement should be enclosed.
3. If the community member does not submit a written grievance within five days from the date the written summary prepared by the administrator is delivered to the community member, the complaint will be deemed "resolved."
4. The grievance submitted to the Governing Council should include specific reasons why the community member is not satisfied with the administrator's decision; any specific school policy that the member believes has been violated, and any other relevant information and documentation that supports the grievance. The written grievance must be dated and signed by the person submitted the complaint.
5. The Governing Council will decide at the first meeting immediately following receipt of the written grievance whether it will hear the matter, and if it agrees to hear the matter, it will schedule a time for the meeting, which shall not be unreasonably delayed. Depending on the substance of the complaint, the Governing Council will also decide whether the grievance shall be heard as an informal meeting of the concerned parties, an informal hearing with each party being allowed to present his/her side of the story or any other procedure the Governing Council deems appropriate.
6. AKCS Governing Council members who are interested parties or who may have an actual or apparent conflict of interest shall disclose such conflict and be excused from the grievance meeting if the Governing Council deems the excusal necessary to provide the complaining community member a fair consideration of the grievance.
7. Any meeting or hearing concerning a matter that relates to personnel issues, that is confidential, or that implicates an individual's privacy rights will be held in a closed meeting in accordance with the Open Meetings Act, unless written permission by the affected individual is obtained prior to the meeting.
8. A decision will be established by a majority vote of the members of the AKCS Governing Council hearing the issue. The AKCS Governing Council may designate a committee of the Governing Council to meet with or conduct the hearing. Any final action required to be taken by the Governing Council will be made after the committee's recommendation is presented to the full Governing Council.
9. If additional information or investigations are necessary after the initial meeting or hearing, the meeting or hearing may resume as soon as is practical after further information has been gathered or an investigation has been conducted. The Governing Council will issue a final written decision regarding the grievance. The decision of the Governing Council is final.

5.10 FIRE DRILLS

Fire drills are held at school as required by law. Drills may occur at any time of the day. Students are requested to move quickly, as directed by the teacher, to the designated exit-area. Upon completion of the drill, an all-clear signal will be sounded, at which time all persons will return to their classrooms.

5.11 LIBRARY BOOKS AND OTHER SCHOOL MATERIALS

Children are taught to take proper care of books or materials. Lost or damaged books or materials are the financial responsibility of the parents and students.

5.12 ACCESSIBILITY FOR PARENTS/GUARDIANS

To ensure equal access in accordance with the Americans with Disabilities Act (ADA) AKCS will provide appropriate auxiliary aids and services. These auxiliary aids and services for a parent/guardian may include but are not limited to the following:

- Sign Language Interpreter
- Braille
- Mobility Access
- Assistive Listening System
- Large Print

These accommodations are available upon request for Parent-Teacher Organization meetings, Governing Council meetings, school plays, teacher conferences, etc. Please notify the AKCS administration office if you require any of these services.

VI. STUDENT SUPPORT INFORMATION

6.1 STUDENT SUPPORT

NCLB and IDEA 2004 call for early intervention strategies with family involvement to improve the academic and functional outcomes of students. When students are struggling with learning or behaviors that interfere with learning at AKCS, we use the Response to Intervention (RTI) process that finds and uses strategies that will work with the student. We look at how students are making progress with the current instruction in the classroom to find more effective ways to help students make academic and functional progress at school. We also look at what may contribute to difficulties. Together with families we will work to develop interventions aimed at increasing the likelihood that students can be successful and maintain their placement in the general education setting.

Struggling students are identified through classroom, school-wide and state-wide screening/testing processes as well as other means, such as teacher observation or parent concern. Struggling students are brought before the Student Assistance Team (SAT) that will address problems, design and recommend interventions that will help to alleviate or resolve the situation prior to referral for a multidisciplinary evaluation. In many cases, the SAT is able to assist students who need interventions in order to succeed, but who are not necessarily disabled and therefore do not qualify for special education services or Section 504 accommodations. In other words, the SAT is a “support group” for the regular education teachers and students in need. If you have concerns about your child’s progress, please let the classroom teacher know. If the classroom teachers have concerns, they will bring them to your attention and determine if a SAT meeting is warranted.

6.2 SECTION 504

Section 504 of the Rehabilitation Act of 1973 prohibits discrimination against persons with disabilities by organizations receiving federal assistance. Included in the regulation is the requirement that handicapped students be provided with a "free appropriate public education" (FAPE). These regulations require identification, evaluation, provision of appropriate service, and procedural safeguards in all public schools. Individuals who have been determined to be with disabilities under Section 504 may or may not be disabled under special education (IDEA). Section 504 services could apply to any school age child who, (1) has had a physical or mental impairment which substantially limits a major life activity, or (2) is regarded as having a disability by others. Major life activities include walking, seeing, hearing, speaking, breathing, learning, working, caring for oneself and performing manual tasks.

Parents who have concerns or questions regarding 504 services should contact the student’s teacher or the Principal.

6.3 CHILD FIND

AKCS has an affirmative, ongoing, obligation to identify, locate and evaluate all children with disabilities within the school community who either have or are suspected of having disabilities and need special education as a result of those disabilities. AKCS personnel, a private or public agency or institution, or a parent may initiate a referral for a replacement evaluation by contacting the Principal or by contacting one of the AKCS special education teachers

6.4 EDUCATIONAL SERVICES FOR GIFTED STUDENTS

AKCS Offers services to students who qualify as gifted through the Special Education program. For information on referral/screening procedures, eligibility requirements and program options, contact the Principal or special education teacher. Teachers and parents can refer students to the RTI Team for consideration and evaluation in the Gifted and Talented Program. For additional information see the Principal.

6.5 ABUSE AND NEGLECT

If any member of the AKCS staff suspects child abuse or neglect, appropriate authorities will be notified. The call and report will be made as soon as any sign of abuse is noticed. Any member of the staff can make the call and does not have to wait for approval. Calls may remain anonymous. Signs of suspected abuse or neglect will be documented and sent to the Principal and appropriate state authority.

6.6 STATEMENT OF RIGHTS PARENTS/GUARDIANS UNDER FERPA

The Family Educational Rights and Privacy Act (FERPA) affords parents and those with custodial rights certain rights with respect to the student's education records: The AKCS provides the following notice regarding those rights:

6.6.01 *Inspection* - You may inspect and review the student's education records within 45 days of the day the AKCS receives a written request for access. Parents of students should submit to the Principal or designee a written request that identifies the record(s) they wish to inspect. The Principal will make arrangements for access and notify the parent or eligible student of the time and place where the records may be inspected.

6.6.02 *Amendment* - You may request the amendment of your student's education records if you believe they are inaccurate or misleading. To amend the record, the parent should write to the Principal and clearly identify the part of the record the parents want changed, and specify why it is inaccurate or misleading. If AKCS decides not to amend the record as requested by the parent or eligible student, AKCS will notify the parent of the decision and advise of the parent's right to a hearing regarding the request for amendment. Additional information regarding the hearing procedures will be provided to the parent when notified of the right to a hearing.

6.6.03 *Disclosure/Consent* - A parent has the right to consent to disclosures of personally identifiable information contained in the student's education records. Note that FERPA authorizes disclosure without the parent's consent to school officials with legitimate educational interests. A "school official" is a person employed by AKCS (or in some instances Albuquerque Public Schools) as an administrator, supervisor, instructor, or support staff member (including health or medical staff and law enforcement unit personnel); a person serving on the Governing Council; a person or company with whom AKCS has contracted to perform a special task (such as an attorney, auditor, medical consultant, or therapist); or a parent or student serving on an official committee, such as a disciplinary or grievance committee, or assisting another school official in performing his or her tasks. A school official has a legitimate education interest if the official needs to review an education record in order to fulfill his or her professional responsibility.

6.6.04 *Directory Information – Right to Opt Out*. AKCS classifies the following as Directory Information: student's name, parent's name, address, telephone listing, electronic mail address, date and place of birth, participation in officially recognized activities, awards received, student's photograph, and the most recent previous school attended by the student. School officials may release this information to any person without the consent of the parents or the student. **Any parent or eligible student who objects to the release of any or all of this information without his consent must notify, in writing, the principal of the school where the records are kept by no later than September 15 each year.** The objection must state what information the parent or student does not want to be classified as directory information. If no objection is received by September 15 of each year, information designated above will be classified as Directory Information until the beginning of the next school year. ***By signing that you received this policy in connection with the Student/Family Information Book, you acknowledge that you have received your annual notice of FERPA rights as required by federal law.*** If you chose to opt out for permitting your student's directory information from being released, please sign the attached "Exclude the Release of Directory Information" form attached to this handbook.

6.6.05 *Complaint* - You have the right to file a complaint with the U.S. Department of Education concerning alleged failures by AKCS to comply with the requirements of FERPA. The name and

address of the Office that administers FERPA is: Family Policy Compliance Office, U.S. Department of Education, 400 Maryland Avenue, SW, Washington, DC 20202-4605.

6.7 TRANSFER OF STUDENT RECORDS

When a student moves to another school within the APS district, the student's records will be forwarded to the student's new school. When a student withdraws to enroll in another school district and records are officially requested by the new school, the following records (if applicable) are forwarded: continuous record of academic progress; health data sheet with health notes; special education records; 504 Plan; individual remediation plan; individual health plan/emergency plan; attendance reports; standardized test results/state testing results; indicator of grades and credits received other schools (if applicable); listing of disclosure and transfer of student records; relevant legal documents and documentation of suspensions and expulsions. AKCS may withhold release of a student's records if the parent has an outstanding balance for unpaid fees.

VII. TECHNOLOGY USE POLICY

7.1 AKCS TECHNOLOGY USE POLICY

At AKCS our students have access to many valuable instructional technology tools as well as Internet access. Our goal is to teach students to utilize these electronic resources to enhance our school's instructional goals. AKCS has taken precautions to ensure that students are using the Internet and other electronic resources for appropriate educational means. Student use of the Internet and multimedia resources will be supervised by an adult at all times. However, we cannot guarantee that students will refrain from locating inappropriate sources.

7.2 GENERAL RULES FOR STUDENT USE

Student use of instructional media must be in support of grade appropriate school instruction.

Students will use respect and show proper care and handling of all equipment. Any student found to be intentionally damaging any software or hardware will be cited for school property abuse and the student's parent or guardian will be financially responsible for any damages.

Students are expected to respect and not attempt to by-pass security in place on computers. Changing or attempting to change a computer's settings is a violation of acceptable use of our equipment.

Students will observe software copyright laws. No students will bring software from home to copy on school workstations, nor will students copy school software for personal use.

When using the Internet, students' actions will be closely supervised. They will be held responsible for information viewed, received, and sent.

Students are expected to respect the work and ownership rights of students, staff, and people outside the building.

Attached to this Student/Family Information Book is the "Alice King Charter School Technology Acceptable Use Agreement Form that you and your student will be required to sign before your student will be permitted to use AKCS technology and related equipment.

Violation of the computer use policy may result in a student losing his/her privileges.

7.3 NO EXPECTATION OF PRIVACY

School network spaces are analogous to student desks or lockers and may be inspected when network maintenance becomes necessary or if students are suspected of abusing access rights, and to ensure compliance with AKCS policy and applicable laws and regulations.

**EXCLUDE THE RELEASE OF DIRECTORY INFORMATION
FAMILY EDUCATIONAL RIGHTS AND PRIVACY ACT
ANNUAL NOTICE**

The Family Educational Rights and Privacy Act (FERPA), a Federal law, requires that AKCS, with certain exceptions, obtain your written consent prior to the disclosure of personally identifiable information from your child's education records. However, AKCS may disclose appropriately designated "directory information" without written consent, unless you have advised the District to the contrary in accordance with District procedures. The primary purpose of directory information is to allow the AKCS to include this type of information from your child's education records in certain school publications. Examples include:

- A playbill, showing your student's role in a drama production;
- The annual yearbook;
- Honor roll or other recognition lists;
- Graduation programs; and
- Sports activity sheets, such as for wrestling, showing weight and height of team members.

- Low-fat milk
- 100% juice
- Water
- Fresh fruit with yogurt dipping sauce
- Apples with caramel dip
- Fruit and cheese kabobs
- Fruit with whipped topping
- 100% fruit snacks
- Fruit crisps or bakes (made with little added sugar and whole grain toppings)
- Vegetable tray with low fat dip
- Celery sticks with peanut butter
- String cheese
- Low-fat pretzels or popcorn
- Graham or animal crackers
- Pizza with low-fat toppings
- Sandwiches (meat, cheese, low fat condiments)
- Low-fat pudding cups
- Low-fat yogurt
- Yogurt smoothies
- Yogurt parfaits (layers of fruit, yogurt, granola)
- Quesadillas with salsa
- Granola bars or breakfast bars
- Trail mix or cereal mix
- Angel food cake with fruit toppings
